**Description**  
With a history spanning over four decades, Nicholas Agency has been a cornerstone of the Australian market, focusing on the import and wholesale distribution of furniture, homewares and gifts. Our longstanding success is a testament to our family-centric ethos, guided by the visionary leadership of brothers Nicholas and Francesco. Our achievements are the result of a committed and skilled team, seamlessly extending from our headquarters to our warehouse. In addition, our nationwide operations benefit from a network of enthusiastic and dedicated sales agents.
